Project

Portfolio

<https://final-portfolio-iota-seven.vercel.app/>

It is a portfolio website of myself that I created using HTML, CSS, Tailwind CSS, React JS and Next.JS framework.

Next Driver Landing Page

<https://startup-nextjs-main-eta.vercel.app/>

An example of a landing page created to fulfill a front-end project assignment during the Purwadhika web development bootcamp. It was created using the Next.JS framework, HTML, and Tailwind CSS.
